# CRUD Features

The background is a stylized illustration of a Japanese cityscape. On the left, there is a traditional Japanese house with a thatched roof and a tree with large, rounded, light-colored foliage. In the center, there are several modern buildings of varying heights. On the right, there is another traditional Japanese building with a thatched roof, a tree with similar foliage, and a vertical sign with Japanese characters. The sky is a gradient of light blue and white, with a few wispy clouds. The overall style is clean and modern, with a focus on traditional Japanese architecture and natural elements.
